Dear Ms. Bell:

WILLIAM K. MEHEULA<sup>\*</sup>

Pursuant to your voicemail of today, this is to respectfully request a thirty (30) day extension to respond to the brief of the General Counsel for the above-referenced matter. This law office received the brief of the General Counsel on April 12, 1999, which would make Friends For Fasi's response brief due on April 27, 1999, without the extension. The extension is required because we have not been able to reach Friends For Fasi's real estate expert, who is currently out of the country on vacation with his family until May 3, 1999. I will also need the time to conduct additional research into the various issues and allegations contained in the brief of the General Counsel and of which Friends For Fasi has become aware only upon receiving the brief.

ANDREW S. WINER<sup>\*</sup>

As I stated in my voicemail to you, Friends For Fasi intends to continue to cooperate fully with your office. Please contact me at your earliest convenience regarding this request.
